

Mission Statement-Affordable Education with Quality and Excellence

Our **mission** at JPS School System is to provide students diverse education in safe, supportive environment that promotes self-discipline, motivation and excellence in learning. We strive to provide an environment which promotes creativity and excellence and encourages lifelong learning for a changing world.

Our Core Values:

- 1. Quality with affordability.
- 2. Digital Learning
- 3. Personality Development
- 4. Ethics and morality
- 5. Innovation

JPS School System:

JPS combines Kindergarten, Primary and Secondary School into one harmonious School System with latest education tools. We encourage to take your children right from the playgroup age of “3” and nurture their talent through their school life till they reach the college level. From the toddlers till youth, they are nurtured to enable them to be the best citizens and pursue higher education of their choice.

JPS started in Lahore and has grown to numerous branches across Punjab with ambitious expansion plans in recent times. We follow the English Medium System of Matric as prescribed by Lahore Board of Intermediate and Secondary Education. JPS also offers both “O” and “A” level programs with a unique approach which provides its Cambridge students more flexible and less strenuous academic pressure to earn excellent grades. The JPS alumni have alhamdulillah proceeded to carve out careers for themselves as Doctors, Business Leaders, Engineers, Teachers, Lecturers and Executives at top class local and global institutions. Their grooming and education at JPS has stood them in good standing in their respective careers.

The Founder of JPS School System- Mrs. Nasreen Ameer had more than 20 years of experience in the World of education. She guided JPS from being a school with a very humble start with 10 students on its first day to having various branches throughout Punjab in the present form with hundreds of students l.

Our aim is to provide physical and extra curricular activities a big boost with academics to train the minds of 21st century. Sports is given an important place in the School's curriculum. The school encourages both indoor and outdoor sports at all campuses.

It is the aim of JPS to provide students with a sound moral basis, a well-educated mind with a solid academic foundation and very importantly, to develop a balanced well rounded person. Academic learning must go hand in hand with character building at JPS.

This leads JPS at producing the ' Personality' of the kid in entirety. These are days of specialization but before our pupils begin to do this the school makes every attempt to give them a well-rounded and perfectly balanced education. This all-round education is available to any child who wants to make use of the excellent opportunities to study in this school.

This makes JPS an ideal choice for parents who desire a warm and loving environment for their children plus combination of modern education with extra curricular activities. It offers a variety of benefits and is a great learning place for children to interact with peers and learn valuable lessons such as how to share, take turns and follow rules. It also prepares them for kindergarten and beyond.

Our rich and digital learning philosophymakes learning a serious fun. The impressive list of extra curricular activities offered to children include music, physical education, speech and drama, arts & craft, field trips and imaginative role play and the list goes on.

JPS is the pioneer amongst school chains at Johor Town, Lahore (established in

1992), it is also the first institution in Johor Town, Lahore to be registered with the Punjab Education Commission (PEC) (in 1993) and the first educational institution Johar Town, Lahore to be registered with the board of Intermediate and Secondary Education (BISE) (in 1995). Our aim remains to train the talent with affordable price in best possible environment where your kid enjoys learning in an Air Conditioned classrooms under supervision of trained teaching community. This facility is not provided by any other competing school system within the same price range which truly makes us proud.

We encourage you to join the JPS family today and experience the difference.

Message from the present Chairman

I took over the JPS School System recently with an aim to take it to new heights in line with my mother's aspirations and Vision. Every parent desires to give the best in class of Education to their children. The choice of a school is the prime factor that helps put the child on the correct track for his or her future. JPS has been renowned for its academic excellence since 1992 with affordability and uniqueness as the hallmark of the system. English being the sole medium of communication, acts as the device that helps unify all students who come from multi-racial, multi-ethnic and multi- religious backgrounds.

Combination of traditional education with latest tools of digital education are the corner stones on which this institution has been founded. Quality education is the cement that binds all our students together. Having started off by giving the best education to the students of JPS, we can proudly look back at our students who have performed excellently in their fields, all across the globe.

We at JPS, focus on building an International School with Pakistani ethos, strive to give our children correct values in life.

A prospectus can only show so much. Please come and visit us so that we can meet you personally and let you see what we can do for your children.

I am confident you will receive a warm and friendly welcome!

Curriculum

Our curriculum aims to enable each student to achieve her/ his full potential. We achieve this objective by organizing a weekly timetable of lessons using a variety of latest learning and teaching styles and providing the best available resources. Students will work sometimes on their own and at other times in pairs and groups. Practical work and participation form an important part of many lessons but there are also times for listening, reading, critical thinking and writing. Educational visits and residential trips are often used to enhance the exposure of our students

Taught by a qualified team of dedicated specialists, the curriculum, both academic and extra curricular is latest, digital, broad based learning as well as stimulating offering every pupil the chance to be challenged excel. JPS enjoys a justly high reputation in sports, art and drama.

Day Care

We care for your young child and offer an excellent environment under the supervision of trained team the “Day Care” facility at all our branches. The young kids are engaged in innovative learning activities and well taken care off in line with best international standards. It is a blessing for working mothers and a gift from JPS to Pakistani mothers.

Kindergarten

KG serves children between the ages of 3 and 4 years. Our primary aim during these critical initial years is to ensure your child’s comfort and to offer the vital first steps in their education which are the building blocks for their future academics. We offer children a positive learning experience, so that when they move on to the next level

they will have all the necessary educational and social skills to prepare them for a more formal approach to learning.

We ensure that parents are involved in their child's learning, by sending detailed copies of our worksheets home at the beginning of every week.

Reception

In Reception, the children commence full-time formal education. We provide a structured learning environment, building upon concepts developed in the Nursery. There is also an excellent staff/pupil ratio and our dedicated team is fully trained to offer a 'wrap-around' care scheme for children from Reception upwards, providing supervision from 8.00 a.m. till 12.00 p.m. the entire working week.

Choosing the right School is one of the most important gifts a parent may do for the child and we appreciate that you will be looking for a variety of qualities and characteristics. At JPS, we offer a warm and welcoming environment with a family atmosphere, where your child's learning experience can be nurtured in smart class sizes by best professionals in class. We also endeavor to create an ambitious academic environment, whilst also offering a full commitment to sports, art and drama. We will encourage your child to discover their own individual strengths through wide range of opportunities available for them.

Our aim is to enable your child to thrive in the happy atmosphere that is created by our team of talented, highly qualified and committed teachers, whilst maintaining good discipline with clear traditional values. We understand the importance of fostering strong links between home and school and aim to ensure that we work together to promote the welfare and learning of each child.

The ethos of our school is one of tolerance and understanding of the beliefs of others.

Our teaching is based upon principles to promote Pakistan and Islam. We use a variety of techniques to explore a range of cultures and traditions through lessons and morning assemblies. We are an inclusive school, and welcome families of all

faiths or none.

At JPS, we believe in educating the child which is about more than just school-work. Whilst we regard your child's academic achievement as vitally important, we are equally concerned with their personality development and personal grooming. Our aim is to enable all our pupils to achieve their potential and become fully-rounded individuals, who are able to make a positive contribution to the society when they leave our care. We actively encourage pupils to take part in the wide range of sports, drama and art activities provided for them. We also offer a wide range of school trips and activity holidays which we believe will help widen our pupils' learning experience.

Sports

Students at JPS are encouraged to participate in a wide range of different sports and activities during PE lessons, and we offer a number of sports clubs and teams which pupils have the opportunity to join. JPS holds an annual Sports Day each year where pupils compete and show their true potential.

Art and Drama

Students at JPS are encouraged to enjoy Art and Drama. JPS stages at least one major performance a year. Pupils play a major part in the staging of these productions and welcome students from all classes. They are encouraged to get involved with scenery, backstage, lighting, props and costume as well as acting and directing.

School Trips

A large number of trips are offered to JPS students for all levels. Many of these, such as the Geography field trips form an integral part of the curriculum providing a great learning opportunity for children to expand their learning horizons.

GENERAL INFORMATION

Admissions

Parents are entitled to express a preference about which school their daughter/son should attend, and for this reason, we are delighted to welcome parents to look around this school.

A Pupil can be considered for entry to JPS at any age from 3 upwards.

Children who have reached the age of 3 by the September of the year of entry may be accepted into JPS's Kindergarten. Entry into other year groups, when places are available, is subject to satisfactory assessment.

The main points of entry into the Senior Classes are at ages 11, 13 or 15 years, but students are accepted at any age, provided there are places and the entry requirements are met. A pupil then has the opportunity of a continuous education till the BISE Matriculation Exams at 16 years. There is an Entrance Assessment for every prospective student. Admission is subject to interview and/or a satisfactory report from the child's previous school. A written test may also be required. Admissions are open throughout the year while special entry classes are held in March/April of each academic year and then again in August/September subject to availability of seats. In case of pupils seeking entry at other times, applications are dealt with individually and on merit. Special consideration is given to pupils with a brother or sister already at the School.

SCHOLARSHIPS

Entrance scholarships may be available for candidates who demonstrate excellence in academic work, sports, music, drama or any other recognized field. Our accounts

office can be contacted for details regarding academic scholarship or discounts.

DISCIPLINE

The School tries to instill a sense of self-discipline and pride amongst its students. Partly in the interests of safety and security, there are a few basic School Rules. By accepting a place for their son or daughter, parents undertake that the pupil will be subject to these. The Principal has the right to require parents to remove a pupil from the School if the pupil's conduct or general attitude makes this desirable in the best interests of either the School or the pupil.

UNIFORM

Uniform requirements are indicated on the School Clothing Lists. The listed shops stock and sells uniform items.

Adherence to the uniform regulations and compliance with the requirement that pupils look smart, decent and serve generally in their appearance (which includes hair-style) as good ambassadors for the School is considered very important.

SCHOOL FEES

The School operates on a very reasonable and affordable fee structure. A detail of the fees for each class is available at the accounts office at each branch.

Fees are collected on monthly basis and are required to be paid by the 10th of each month. A fine of Rs. 25/day is charged in case of late payment. If a pupil's fee goes more than 3 weeks in default, his/her name may be struck off from the school rolls.

School Leaving Policy

A one month written notice should be submitted with the Principal before a pupil is withdrawn from the School. Without prior notice, school reserves the right to

charge the monthly fee for issuing the school-leaving certificate.
